The Function Of Linear Counting Within Montessori Math

March 17th, 2019 - The Function Of Linear Counting Within Montessori Math. The Math area is an integral part of the overall Montessori curriculum. Math is all around us. Children are exposed to math in various ways since their birth. They begin to see numbers all around their environment. It is inherent for them to ask questions about time, money, and questions about quantities.

11 Smart Tips for Brilliant Writing Copyblogger

April 7th, 2010 - At school, I loved maths, science, and hated English. My writing was bad; I felt stupid because all the other kids used long words. Then a few years ago, a good friend of mine who is a confidence coach simply told me I was much better understood by others because I used plain and simple words - none of these pompous long words.

Literacy Wikipedia

March 17th, 2019 - The earliest forms of written communication originated in Serbia. A culture followed by Sumer, located in southern Mesopotamia, about 3500-3000 BCE. During this era, literacy was a largely functional matter propelled by the need to manage the new quantities of information and the new type of governance created by trade and large-scale production.
