Border control Wikipedia

February 17th, 2019 - Decolonisation during the twentieth century saw the emergence of mass emigration from nations in the Global South thus leading former colonial occupiers to introduce stricter border controls In the United Kingdom this process took place in stages with British nationality law eventually shifting from recognising all Commonwealth citizens as British subjects to today's complex British

Operation Searchlight Wikipedia

February 16th, 2019 - Operation Searchlight was a planned military operation carried out by the Pakistan Army to curb the Bengali nationalist movement in the erstwhile East Pakistan in March 1971 which the Pakistani state retrospectively justified on the basis of anti Bihari violence by Bengalis in early March Ordered by the central government in West Pakistan this was seen as the sequel to Operation Blitz
